

STUDENT FRENCH CAPACITY SELF-ASSESSMENT FORM FORMULAIRE D'AUTO-ÉVALUATION DES CAPACITÉS EN FRANÇAIS POUR ÉTUDIANT

In order to facilitate placements, the self-screening questions to help you identify students who could potentially do a placement in French. This will give students and organizations a better idea of what to expect in term of French competencies for the placement.

**Pour chaque question, veuillez indiquer votre niveau de confort avec le français.
(For each question, please indicate your level of comfort in French.)**

Student Name: _____

Date: _____

	<i>Très peu</i> (Very little) 1	<i>Assez</i> (Somewhat) 2	<i>Beaucoup</i> (A lot) 3	<i>Parfaitement</i> (Perfectly) 4
Je comprends lorsque les gens parlent en français (I understand when people speak French to me.):				
Je peux m'exprimer en français (I can express myself in French.):				
Je peux comprendre le français quand je le lis (I can understand written French.):				
Je peux écrire en français (I can write in French.):				
Total :				

If students have a total of 12 or more, they probably know French well enough to do a placement. If their score is from 9 to 11, a French conversation with someone from the organization would be beneficial to help better determine their French competencies.
